**(OVER)**

The main purpose of the Northeast Council is to help all units in Districts 1, 2 and 3 with retention. Our meetings are scheduled so we visit every facility in Districts 1, 2 and 3 and on Mooseheart Campus.

All information is emailed to all units in Districts 1, 2 and 3 (Lodges, Chapters, Moose Legions and Districts) and all members that provide their correct email. Emails are sent about ten times a year to keep our members informed. If questions, contact any Board member. Their information is on the front. This should also be posted on your Lodge, Chapter and Moose Legion information board and shared at your board and members meetings. District President/Secretary should share emails at your District meetings.

#### NOMINATIONS:

At all meetings, we promote and invite those members interested for the next year's possible NEC Board. If interested, talk to a current Board member. Review By-Laws to understand office responsibilities. All nominations must be received by: if mailed, or emailed, the Thursday before Illinois Day. Or if handing in, by 9:00am Illinois Day at the NEC table. To be considered, all nominations must be turned in on time, **NO EXCEPTIONS.**

#### MORE INFORMATION:

Dues are due on Illinois Day. \$5 per year or \$75 for a lifetime membership.

Every year we purchase a 4 piece set of luggage for each graduating senior. We sell luggage tags for \$50 each to any individual or unit to cover the cost. In May we have a presentation/celebration. **RSVP IS A MUST TO ATTEND THE CELEBRATION.**

Our Annual Banquet is held in October or November to honor our members who have passed away and all newly elevated members of the Moose in Districts 1, 2 and 3. Reservation forms are required.

Pizza with the Teens. The Pizza Party with the Teens is the first Saturday in December after the Tree Lighting Ceremony. Time and place TBA. Finger-type desserts are appreciated such as cupcakes, brownies or cookies. **RSVP IS A MUST.** In the fall we hold raffles to cover the cost of the pizza party.
