The main purpose of the Northeast Council is to help all units in Districts 1, 2 and 3 with retention. Our meetings are scheduled so we visit every facility in Districts 1, 2 and 3 and on Mooseheart Campus.

All information is emailed to all units in Districts 1, 2 and 3 (Lodges, Chapters, Moose Legions and Districts) and all members that provide their correct email. Emails are sent about ten times a year to keep our members informed. If questions, contact any Board member. Their information is on the front. This should also be posted on your Lodge, Chapter and Moose Legion information board and shared at your board and members meetings. District President/Secretary should share emails at your District meetings.

#### NOMINATIONS:

At all meetings, we promote and invite those members interested for the next year's possible NEC Board. If interested, talk to a current Board member. Review By-Laws to understand office responsibilities. All nominations must be received by: if mailed, or emailed, the Thursday before Illinois Day. Or if handing in, by 9:00am Illinois Day at the NEC table. To be considered, all nominations must be turned in on time, **NO EXCEPTIONS.**
