

June Message from Deputy Grand Regent Tammy E. Neff

It's the month of June and we finally had a little bit of spring and a lot of needed rain especially for our newly planted yard of grass. Also this past month I got to help several volunteers spruce up Camp Ross with a fresh coat of paint. Since I like to paint and Bob not so much I thought it would be fun. But I must admit I am not as young as I use to be and am a little sore plus it was the hottest day of the year so far!

This year's Annual Membership Campaign is Moose on a Mission, which runs from May 1, 2018 to April 30, 2019. Last year we focused on growing our Lodges and Chapters in order to support our core values. Now it's time to build on that success and push above those levels and recognize those individuals and organizations who share our value of "doing good for others" Your Mission can be lots of different things and of course you can have more than one mission so be creative.

I witness the 100th graduating class of Mooseheart with 23 Mooseheart High School graduates this year, just think back to 1919 when there were just 5 in the graduating class. This class will bring our grand total to 4952 lives that we changed forever.

The 2018 class of Pilgrim's also took place welcoming approximately 131 members elevating to our Highest Degree of the LOOM. So the campus was really buzzing with excitement. Congratulations to all!

This month the officers should be attending training session being offered. Please check Moose International web page under Moose Training (dbl click) or ask your Recorder to see the copies I emailed to the Chapters.

The registration form for State conference in St Louis in August is on the web page so you can start sending them in as soon as you would like. I will put the schedule out there once Moose International WOTM notifies us who our official visitor will be.

Be the one to make a difference
