

MARCH MESSAGE FROM THE DEPUTY GRAND REGENT TAMMY NEFF

Kudos to the Lockport Chapter #575 for an outstanding job as the hostess with the mostess! You make my job look easy and I could not have done it without you.

Also a BIG THANK YOU to our official visitor Judy A. Davis from Portsmouth, NH for her wisdom, love and compassion you expressed for our fraternity plus, for keeping me calm most of the time.

Thank you to my husband for his love and support and loading and unloading the trailer and carrying my bags and for all the stuff you donated for the goodie bags and door prizes.

Congratulation to our 30 new Academy of Friendship girls, hopefully you were inspired by the excellent job the conferral staff did of depicting your degree of service and motivating you to reach even higher goals.

Hopefully you are in the mists of trying to fill your new board of officers and you have women lined up to get involved. (ok a girl can dream anyhow)

Start the plans now for the end of the year dinner, installation of officers and a memorial service. Sit down with the LOOM as soon as the new board is installed and set the calendar for the year! Have a plan and if plan A does not work remember there are 25 more you can try!

The year end is near so don't wait until it's too late, work those delinquent dues list now and sell what we do and what we are all about.

Date to remember April 21-22, 2018 WOTM bowling tournament in River Park, IL information may be obtained from the River Park Chapter.

Happy St Patrick's Day remember to wear green one of my favorite colors and have a Blessed and Happy Easter!
