

February 2018 message from Deputy Grand Regent

Wow can you believe it is February already. There is a lot going on this month like Ground Hog Day, Super Bowl Sunday, Ash Wednesday, Valentine's Day, President's Day and yes our Mid-Year conference. I hope everyone is ready to learn and have some fun! We have about 175 pre-registered already and my Chapter and I will be having a "working on the conference party" this Saturday, but I am not so sure they will think it's a party!!!

Hopefully you are preparing for your elections of your new boards and everyone has women stepping up to the challenge! We know this is not always true and sometimes we need to give a little nudge or encouragement or just need someone to explain what it all entails.

We need to mentor and help the ones who do step up and not just point out what they are not doing wrong or if they are doing something different. We are supposed to be a team and do what is best for the Chapter and support our causes of Mooseheart and Moosehaven!

When I was growing up in the Moose you were not supposed to use the word "I" because we all know there is no letter "I" in the word "TEAM". An individual commitment to a group effort is what makes a team work, a company work, a society work, a civilization work! So please be kind to one another and be a team player!

Remember to work for a cause and not for applause. Live life to express not to impress and don't strive to make your presence noticed; rather make your absence felt!

Have a Happy & Healthy February and safe travels to our conference.

See you all soon!

Tammy
