

Happy Labor Day and Thank you to everyone who labor's for our causes Mooseheart & Moosehaven and our communities!

YOU DO MAKE A DIFFERENCE!

Remember this year the WOTM headquarters have come up with a new plaque for receiving the "Award of Achievement" to be hung in our Moose homes (Much like the Premier Lodge Award). Each year that your Chapter receives the award of achievement a special coin depicting the campaign year will be sent to add to the plaque.

2017-18 chapter year will be the first year this award is achieved. Senior Regents and Recorders who earn the Award of Achievement will also be the recipients of 30,000 Moose rewards points (provided they meet all the requirements to qualify for the Green cap honor and the Star Recorder degree).

Also do not forget to nominate a co-worker of the year. This program is now made easier than ever. All you need to do is have your Recorder enter a member ID number in the Admin Menu anytime between July 5<sup>th</sup> thru November 1, 2017. (The Senior Regent should call a meeting of the Past Regents to help select this person.)

There are no more forms to fill out or resume's to write so there should be no excuse's why we do not have one person from every Chapter that we can say THANK YOU for what you do! A certificate will be produced by WOTM headquarters for each nominee and will be distributed during the 2018 Midyear conference.

September 10<sup>th</sup> is Grandparent's Day and this is a very special day to all of us who have grandchildren (which is anyone that is a member) because that is how the children at Mooseheart think of us because we give them so much unconditional love and support. Happy Grandparent's Day everyone!

Please continue to further our cause of keeping our twin cities around for years to come by inviting that friend, neighbor, relative or coworker into the greatest fraternity in the world!

Keep smiling and remember to say Thank you, Thank you, Thank you!

Fraternally yours,

Tammy E. Neff, Deputy Grand Regent 2017-18
